

# Installation Advisory Committee

---

Updates

April 2024

# PURPOSE

**Advise  
Leadership:**

The purpose of the IAC is to advise the Osan leadership on Policies and Programs in their purview.

**Foster  
Communication:**

The IAC does not have the authority to direct the any Osan Commander to take a certain action. The committee helps foster communication among military leaders, school administrators, and local advisory committees.

**Facilitate  
Problem Solving:**

The committee creates a process to address and resolve issues at the lowest level. The IAC facilitates problem solving and recommend action to the appropriate officials.

# Mission Support Group Report

## Updates

- Commuting Zone Study—DoDEA completed, the six existing bus routes service higher population densities than Godeok, therefore we do not recommend reallocating one of the existing bus routes. LRS has been tasked to determine if they can support a 7<sup>th</sup> bus route for Godeok.
- Working on a flightline venue for OHMS graduation. WLT cannot be used due to explosive ordinance safety arc requirements. WLT will not be used to host functions as was past practice.
